Dear Mr. Ware:

I want to thank you very much for sending me a
copy of the book entitled The Next Hundred Years
which has just been received.

I hope to look it over very shortly and it will
make a valuable and welcome addition to my private
library.

It was good to talk to you at [redacted] home
and I hope that I will have an early opportunity to
see you again.

With kindest regards,

Sincerely,

SIGNED
